

## Area Overview Program

### Highlight nearby attractions and communities in your online listing!

This is your opportunity to highlight to the visitor what experiences are close to your business. Each accommodation, attraction, and outdoor listing can hold up to 3 nearby experiences.

Is the Bay of Fundy only 20KM from you accommodation? Maybe downtown Halifax is merely 30KM away. This is your chance to highlight to the visitor any 3 experiences they can enjoy "nearby" while visiting with you. Experiences can include Accommodations, Attractions, Outdoor Activities, Restaurants, Tour Operators, Communities (ie. Halifax, Peggy's Cove, etc.), Natural Wonders (i.e.. Bay of Fundy), Shopping Centers, etc.
