YARMOUTH & ACADIAN SHORES
Where the stars align

There’s a bit of magic in Yarmouth & Acadian Shores. It’s quiet and peaceful, yet full of adventure. This is where the land meets the sea. Where English and Acadian cultures coexist. And where the darkest skies let the stars shine their brightest. It’s where the food is fresh and local, and the music is too. It’s where everything comes together. It’s where the stars align.

This region is part of North America’s first starlight destination—Acadian Skies and Mi’kmaq Lands—as designated by the International Starlight Foundation. Here you can discover dark skies like nowhere else, with brilliant stars from distant galaxies shining against the night sky.

Located within the UNESCO Southwest Nova Biosphere Reserve, this region offers scenic coastal drives, quaint fishing villages, and untouched landscapes. The relaxed atmosphere coupled with the rich local culture allows you to enjoy all that the region has to offer at your own pace. This is a place to reset—there is no rush hour, no stress, no worry. This is where you can begin your Nova Scotia experience, exploring nature and culture with room to breathe.

Traditions, music, and food have been more than preserved here—they flourish. Pick up a phrase from our Acadian patois (dialect), check out Musique de la Baie, or stroll through the Town of Yarmouth’s Heritage District and experience unique Victorian homes. We love our culture, and invite you to celebrate with us.

Did You Know?

Acadians are descendants of French settlers who arrived in Nova Scotia in the early 1600s. Acadians have maintained their culture, and they love sharing this with visitors. Jump into the joie de vivre by sampling Rappie Pie, practicing your French with the locals, and learning how invigorating a “bon tyme” can really be. Outdoor Adventures
The Yarmouth & Acadian Shores region offers intrepid explorers an exciting array of off-the-beaten-path experiences for every fitness level; a list of Yarmouth & Acadian Shores’ outdoor opportunities starts on page 80.

The Song of the Paddle guided kayak tours, Yarmouth
From tours along the historic Yarmouth waterfront to a paddle along the shores of Ellenwood Lake, enjoy discovering this area from a unique vantage point—on the water! Suitable for beginners, experienced paddlers, and families. Kayaks, paddles, and life jackets are provided (see page 193).

Seaside walking trails await, Cape Forchu Lightstation
Enjoy a magnificent ocean view from a past winner of “Canada’s Greatest Public Space.” Explore the Leif Erikson Park trails and look-off points in the 17-acre seaside park, and finish with visits to the museum, café, and local craft shop. Pedal your way here—a gentle, rolling ride only 10 kilometres from Yarmouth (see page 79).

Le Petit Bois Interpretive Trail, Church Point
Take a self-guided or guided interpretive walk to discover the Acadian history and natural beauty of the region. Observe local wildlife and unique plants, and learn about duck and owl habitats. A new lighthouse-shaped observatory offers an outdoor deck and equipment for sea-bird and seal watching (see page 81).

Bucket-list cycling, Gran Fondo Baie Sainte-Marie
Ride in the largest cycling event east of Quebec! Experience true Acadian hospitality with local music along the panoramic coast of St. Mary’s Bay, as you navigate inland and coastal roads. And after all that, fresh lobster and live music are your rewards. There are four rides for all skill levels, from 35 to 161 kilometres. September 22–23, 2018. granfondobaisesaintemarie.ca

Ellenwood Lake Provincial Park, Deerfield
Overnight camping, supervised swimming, sensational stargazing, and walking trails make this park the ideal outdoor escape (see page 80).

Back-country adventures in the Tobeatic Wilderness Area
With dozens of remote lakes, the “Toby” and the adjacent Kejimkujik National Park & National Historic Site together protect 142,000 hectares. Considered the heart of the UNESCO Southwest Nova Biosphere Reserve, it’s a stronghold for moose, black bear, bobcat, river otter, coastal plain plants, Blanding’s turtles, and the rarely seen pine marten. The area is isolated—pack appropriate gear, and consider booking a guide, such as Hinterland Adventures or Ukaliq Wilderness Adventures (see page 193).

Heritage in Your Hand self-guided tour, Yarmouth
Built between 1850 and 1900, beautifully preserved examples of Queen Anne, Gothic revival, Georgian, and vernacular architecture are located throughout Yarmouth. Visit app.townofyarmouth.ca to download the Heritage in Your Hand app for a self-guided tour. It will guide you through Yarmouth’s heritage district with interactive maps, videos, and stories about these fantastic homes.

Port Maitland Beach Provincial Park, Port Maitland
Stroll along this 1-kilometre sand-and-cobble beach or take a dip in the ocean. Pack a lunch to enjoy at the picnic tables overlooking the shore. The nearby wharf and fishing boats are favourites for painters and photographers (see page 80).

East Coast Paddle Company, Tusket
Early birds can rise and shine with a sunrise paddle to start the day right. For the night owls, a scenic sunset paddle around Yarmouth Harbour may be more enjoyable. For everyone else, daytime tours, lessons and rentals are available (see page 193).
Not-To-Be-Missed Experiences

These suggestions will help you enjoy the definitive Yarmouth & Acadian Shores experience; it’s renowned for its colourful fishing villages, rich Acadian history, and laidback way of life since 1653. To learn more see page 78.

Seafood and seafaring

Beachside lobster supper
Lobster Bay Culinary Adventures, Argyler Lodge, Lower Argyle
Your culinary adventure begins with a guided walk to the beach, where you will help build a wood fire to boil your own freshly caught lobsters. The Argyler chefs will provide pots, lobsters, and local expertise (see pages 77 & 80).

Savour the Sea Oceanside Lobster Dinner
John’s Cove Wharf (Yarmouth Bar), Yarmouth
This foodie adventure begins with a tour of Yarmouth Harbour. Your guides—and local lobster fishermen—will share stories of life on the water and get you clapping along to local tunes. Docking at Yarmouth Bar, you’ll enjoy a wharfside, three-course lobster dinner, made with local ingredients, paired with Nova Scotia wine and beer, and complete with live music and dancing! Offered on Wednesdays from June 13 to September 12. savourthesea.ca

Trout Point Lodge, East Kemptville
Trout Point’s seafood cooking classes are part of the Canadian Signature Experiences collection. You’ll get your fill of what’s in season—scallops or salmon, oysters or mussels—while learning how to prepare seafood from real pros, doing it in the Acadian tradition alongside its cousins, Cajun and Creole (see page 77).

Beaux Vendredis Lobster Suppers
Belliveau Cove
